Camp Kweebec 2010:

Get ready for the best summer of your life!!!

As winter steadily sets in camp would like to wish all of our incredible Kweebec families a happy and healthy holiday season! We are looking forward to seeing each and every one of you on Sunday, January 10th for what is going to be our best Camp Reunion yet. Keep an eye out for your official reunion invitation which should be arriving in your mailbox any day!

Exciting Updates

Dance, Gymnastics and Cheerleading!

No one can argue that between the energy and excitement of the 76er's dance team, and the professional, expert instruction of Touch of Class Dance Studio that Kweebec's dance program in 2009 was one of the summer's biggest highlights. This summer both the sixer's dance team and Touch Of Class will be back to keep all of our Kweebecers moving, but we are also hard at work designing fun, fast paced, Gymnastics and Cheerleading programs with Touch of Class and the 76er's that will take our 2010 Kweebec program to the next level!

2010 Lineup of Pro Athletes and Coaches!

Get ready for an exciting line-up of Professional Athletes and expert Coaches at Kweebec in 2010! Of course, Kweebecers can expect to see their favorite coaches and pros this summer at camp like Speedy Morris, Fran Dunphy, Jameer Nelson, Bernie Parent, Traci Nelson, Al Bagnoli, but we have some other very special guests, including one very special Philadelphia Eagle making their way down Game Farm Road in 2010. Just who is coming you'll have to wait until the reunion to find out!

Go-Karts! Everyone knows that Kweebec has the best campers and the best counselors, that Kweebec parents are the best parents, that Kweebec programs are the most fun, and that Kweebec instructors are the most talented, so it only makes sense that Kweebec also has all of the newest, coolest equipment to play with! This year Josh has been hard at work comparing specs, taking test drives, and putting new Go Kart models to the test, so that in 2010 our campers will be able to attack our off-road Go Kart track with the very best in Kart technology!

Arts & Crafts

In the past two newsletters we have told you about some incredible new additions to our already awesome arts & crafts program. From woodshop, to our pottery studio, tie dying to paper making and beading, Kweebecers can express their artistic side in just about any way imaginable, but we have come up with a few new things that we think you are going to love!

Mosaic making has always been a fun part of the Kweebec arts & crafts program, but this year we are taking this cool craft to the next level with more instruction, tons of fun materials, and even the opportunity to take some advanced Mosaic lessons with camp's very own Rachel Weisman!

Other Updates!

In addition to all of the other great new updates to camp this summer, we are looking forward to a greatly expanded waterfront program including new sailboats, surf-bikes, canoes and kayaks for use on the Kweebec lakes!

We are also so pleased to announce that our staff for this coming summer is looking better than ever! So many of your favorite counselors have already committed to being back at camp this year, and we are looking forward to introducing some bright new faces into our Kweebec family!

Stay tuned for more updates and news about Summer 2010, and look for the launch of our brand new Kweebec website designed with all of our awesome camp families in mind!

Again, Happy Holidays from all of us here at Camp, we can't wait to see you in 2010!
