## Camp Kweebec 2010:

**Get ready for the best summer of your life!!!**

At the Camp Reunion on Sunday, January 10<sup>th</sup> we will have so many exciting new things to tell you, but for now, here are a few announcements that just couldn't wait!

## Cheerleading!

We are pleased to announce that cheerleading will be added to the 2010 Kweebec program! Combined with our new and exciting gymnastics program and our amazing partnership with the Sixers Dance Team and A Touch of Class Dance Studio, our new cheerleading program will be sure to get all of our Kweebecers into the camp spirit and be a great addition to our performing arts programming. With nothing but the very best professional instruction, Kweebec's new cheerleading program will focus on teaching every level of cheer to campers interested in learning how to mount, climb and stunt! Gimme a C! Gimme a K!

## Tennis

Look for the return of our favorite Kweebec Tennis pros, Chris Brown and Meredith Cheifetz in 2010! For the past two summers Chris has brought his incredible talent, and teaching expertise all the way from Manchester, England to Camp Kweebec, and our swings are all better for it. Just ask anyone who has worked with Chris before, if you want to serve up blistering forehands and accurate backhands Chris is the person to see. From different grips and serves, to winning footwork styles, Chris can teach it all, but most importantly his lessons are so much fun!

Meredith Cheifetz, our camp tennis director will also be back at camp this summer to arrange fun and helpful group lessons, and the great tournaments that Kweebecers have come to expect. In addition to in-camp tennis tournaments we are also working on holding sanctioned USTA and inter-camp tournaments for interested campers!

## First Annual Kweebec Campwide Home Run Derby

Towering 16 feet above the lush left field line on our beautiful new regulation hard ball field, the “Blue Monster” is a fun challenge for any Kweebecer to try and hit over, but for the first time ever we are going to have a campwide competition to see who does it best. Our first annual Kweebec All-Camp Home Run Derby and long hitting contest will be open to all of our Kweebec campers, girls and boys, and special prizes will be given out to every camper that participates! Look for our resident, division 1, two sport all-american athlete, Aunt Maddy to throw out the opening pitch!

## Facilities

As many of you know we have a lot of very exciting things happening up at camp in preparation for the 2010 season! We are still hard at work on opening the old lake, and we will hopefully have it ready for this summer, but here are just a few of the other projects going on at camp right now...

### Dance Studio Deck

As we told you in our last newsletter, our beautiful new Dance studio will be receiving the addition of a new outdoor practice stage overlooking the lakes! This new stage will provide plenty of additional room for our talented Kweebec performers, and will also be a great place to relax, dance, listen to music and watch the sunset!

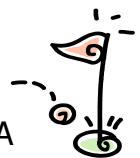

### Mini Golf

Ahh, mini golf. There is nothing like hitting the course with a few of your closest Kweebec friends, and there will be no better place to play than on our newly designed, beautifully crafted, mini golf paradise! Whether you are a competitive mini golfer trying to set a new course record, or just a social golfer putting a few on your way to rec swim, you are going to love our new course.

### Practice Green

2010 will bring an exciting new feature to our driving range area... a regulation putting green and additional sand traps! Complete with breaks, varying slopes and grass that will be carefully cut to meet PGA and LPGA specifications, our new putting green will be a great place to hone your short game, work on your bunker shots, and challenge yourself to

become the best player possible. If you are lucky you might even get a free lesson from our in house greens-keeper, Josh Weiser.

## **Kweebec in 2010... Your best summer yet!**

With all of the exciting things happening at Camp Kweebec, 2010 promises to be the best summer ever. The leaves may be changing colors (look for pictures of Kweebec in the Fall on our website [www.kweebec.com](http://www.kweebec.com)), and the homework may be piling up, but with the reunion just around the corner we all have so much to look forward to... Our great camp friends, amazing counselors, and all of the new memories that we are sure to make in 2010!
