**CAMPER BUNK REQUEST FORM**

(This is the only form we will use in taking into account bunk requests)

Our campers are normally grouped by their school grade although we do take into consideration age as well as physical and social maturity. If your child has a special friend in his or her grade that he or she would like as a bunkmate please indicate this on the form. **Please note that the camp must make the final determination regarding grouping.** We cannot always group children with everyone they want to be with (although we do our best), therefore if they wish to be with more than one particular child **it is essential that you list the names in order of preference.**  
Thank You.
